Re: 333 East 60<sup>th</sup> Street, Inc. v. State Liquor Authority  
SDNY 08 Civ. 4147 (RJS) (~~CONFIDENTIAL~~)

Honorable Sir:

In this action concerning the Scores East adult entertainment establishment, we are writing respectfully to request additional time to serve via ECF our reply papers in further support of defendant State Liquor Authority's motion to dismiss the action, and in further opposition to plaintiff's motion for a preliminary injunction. Pursuant to Your Honor's order of June 16, 2008, our reply is due today.

We apologize to the Court for the lateness of this request, which we understand is not within Your Honor's Individual Practices. This is our first request for an extension. Defendant the City of New York has consented to this request, but counsel for plaintiff, Jonathan Lovett, advises me that he is constrained "reluctantly to decline to consent." The reason for this request is that due to other urgent litigation and short-staffing on account of vacation schedules we cannot today obtain adequate managerial review within the Attorney General's Office of our reply.

-2-

We respectfully request a one week extension to August 1, 2008. We are continuing to make diligent efforts to contact plaintiff's counsel to seek consent. We greatly appreciate Your Honor's consideration of this request.

Respectfully,

JOEL GRABER (JG-3337)  
Assistant Attorney General  
Special Litigation Counsel
